Debtor \* Judge Russ Kendig

**MOTION TO RECONSIDER**

Debtor, through her undersigned counsel, respectfully requests that the Court reconsider the Order Dismissing Case filed this date by this Court.

The basis for this motion is that through an oversight, debtor's counsel did not file the request for hearing in response to the order to show cause, this being the first case in which a client, subject to such an order to show cause, desired to present an explanation as to why she did not attend her meeting of creditors. Debtor's counsel states that debtor has a good faith explanation for not attending her meeting of creditors and that she should not be denied a discharge of her debts, which she desperately needs.

WHEREFORE, Debtor(s) move(s) that the Order for Dismissal be vacated.

Respectfully submitted,
